PRESS RELEASE

FOR IMMEDIATE RELEASE

September 27, 2016

G38 DUTCH CREEK BRIDGE REOPENED

On Tuesday, September 27th, 2016 the Washington County Engineer's Office reopened G38 to thru traffic 2 miles west of Elm Avenue. This portion of the road was closed while Iowa Bridge & Culvert, Inc. of Washington, IA removed the old bridge and replaced it with a 163'10" x 30'6" pretensioned prestressed concrete beam bridge along with the approach pavement and guardrails on both sides of the bridge. Highway Bridge Program and Farm-to-Market construction dollars were used to pay for the bridge replacement. Local residents are thanked for their cooperation and patience during the project.
