PRESS RELEASE

FOR IMMEDIATE RELEASE

October 17, 2016

Beginning Wednesday, October 19th, Washington County will close part of 290th Street to thru traffic at a small stream approximately 1/8 mile East of Larch Avenue, for an Reinforced Concrete Box Culvert replacement project. The project consists of removing the deteriorating existing 8' x 8' x 30'-4" RCB culvert and replacing it with an 8' x 8' x 52'-0" RCB culvert. In addition, they will be re-grading the road for approximately 250' on both sides of the culvert to correct the slopes and improve drainage. Iowa Bridge and Culvert, L.C. of Washington, Iowa was awarded the project at a cost of \$155,732.50. Local construction dollars will be used to pay for the project.

Any questions about the project should be directed to the Washington County Engineer's Office, (319) 653-7731.
