**PRESS RELEASE**

FOR IMMEDIATE RELEASE

December 13, 2016

Today Washington County will reopen 290<sup>th</sup> Street east of Larch Avenue that was closed for a Reinforced Concrete Box Culvert replacement project. The project consisted of removing and replacing the deteriorating existing RCB culvert and re-grading the road for approximately 250' on both sides of the culvert to correct the slopes and improve drainage. Iowa Bridge and Culvert, L.C. of Washington, Iowa completed the work. Local construction dollars were used to pay for the project.

Any questions about the project should be directed to the Washington County Engineer's Office, (319) 653-7731.
