PRESS RELEASE

FOR IMMEDIATE RELEASE

April 26, 2017

190th STREET (G26) TO BE CLOSED FOR BRIDGE DECK OVERLAY

Washington County has a bridge deck overlay project planned on 190th Street (G26) over a small stream, approximately 1 mile east of Ginkgo Avenue. This project will repair and resurface the deck as well as install guardrail. Cramer and Associates, Inc. of Grimes, Iowa was awarded the project.

Work on the bridge will begin on Wednesday, May 3, 2017, weather permitting. Traffic will be detoured using Ginkgo Avenue (W38), 170th Street (G20) and Hwy 1. Residents are advised to use the designated detour routes and to use caution while travelling on the detour. G26 will be closed for the duration of the project, which is tentatively scheduled to be completed by the end of the summer.

Any questions about the project should be directed to the Washington County Engineer's Office.
