PRESS RELEASE

FOR IMMEDIATE RELEASE
September 19, 2017

The intersection of 110th Street and Locust Avenue is planned to be closed beginning Thursday, September 21st by the Washington County Engineers office for the reconstruction of two reinforced concrete box culverts. The project consists of removing existing structures, replacing them with new reinforced concrete box culverts, and grading work to improve the foreslopes. Iowa Bridge and Culvert, L.C. of Washington, Iowa was awarded the project at a cost of \$185,971.65.

This project will improve safety around the intersection with the improved foreslopes and larger turning radii. The work at this project is expected to last approximately a month and a half, depending on weather and the contractor's schedule.

Questions pertaining to the project should be directed to the Washington County Engineer's Office at (319) 653-7731.
