**PRESS RELEASE**

FOR IMMEDIATE RELEASE

February 23, 2026

**CONSTRUCTION TO BEGIN ON SPRUCE AVE. (G6W)**

On Tuesday, February 24, construction will begin on Spruce Avenue (G6W) three quarters of a mile south of HWY 92. This project will involve a box culvert extension to fix erosion issues that will extend the life of the existing culvert. The anticipated time for completion of the project is 10 working days, dependent upon weather and other factors associated with the project. The work will be completed under normal traffic. Washington County Engineers Office encourages the public to use caution while traveling through the work zone.

The contract for this project was awarded to Iowa Bridge and Culvert, L.C. of Washington, IA for \$57,175.00.

Questions pertaining to the project should be directed to the County Engineer's Office at (319) 653-7731.
